

CORPUS CHRISTI PROCESSION.

Emperor Francis Joseph, of Austria, Took Part in Festivities.

Vienna, June 23.—Amid accompaniments of medieval pomp and circumstance the aged emperor of Austria, King of Hungary and Bohemia, etc., Francis Joseph took part in the yearly Corpus Christi procession in Vienna today. His majesty was greeted enthusiastically by his people as he was driven through the streets of the inner city, but it was the universal dictum of the Viennese that their emperor had aged greatly since they last saw him in this ceremony two years ago, and the appearance of his majesty, who will, if he lives, celebrate the sixtieth anniversary of his ascension to the throne in 1908, suggested to many minds that this may be the last time the venerable monarch will appear before his people in this beautiful festival of the Catholic church.

Beginning with the earliest morning hours the streets of the inner city of Vienna were filled with movement and life in expectation of the coming procession and people flocked to the windows, balconies and the stands along the line of march which were crowded.

The streets were decorated with flags, boughs of trees and many colored hangings, and at convenient places the temporary open air altars had been erected.

The procession started from the Hofburg Cathedral of Stefansplatz, where the ceremonies were held, and then returned to the Hofburg.

WARRANTS TWICE PAID.

Indians Had Received Money and the Banker Gets Paid Again.

Kansas City, Mo., June 23.—A special to the Journal from Muskogee, I. T., says:

"It is alleged that a steal in connection with the payment of Chickasaw warrants has been discovered which will outrival the famous warrant steal and may involve a fugitive banker of Tishomingo and men high up. The amount cannot be determined, but it is between \$100,000 and \$200,000. This sum represents Chickasaw school warrants that were paid and afterward reissued. One firm in St. Louis, it is understood, has about \$60,000 worth of these warrants, and some of them are known to have come through a combination of which Kirby Purdom, the absconding banker of Tishomingo, was said to be the leading spirit. A large number of these warrants are thought to be fraudulent. The grand jury is making an investigation."

Dime Novels Barred.

Columbus, O., June 23.—News agencies in Columbus have received word by letter from the management of the Union News company that in the future detective stories and bloodthirsty dime novels of every nature will be barred from the trains and stations of the Pennsylvania system. Train "news-butcherers" and news agents at stations all along the line also received the same orders from the Union News company, which controls the privilege on the Pennsylvania system to send in all literature of this nature at once. It is explained by railroad men here that the order of the Union News company is in accordance with a decision of the Pennsylvania officials to eliminate what they consider one of the breeders of crime in the country.

Cured of Bright's Disease.

Geo. A. Sherman, Lisbon Red Mills, Lawrence county, N. Y., writes: "I had kidney disease for many years and had been treated by physicians for twelve years; had taken a well known kidney medicine and other remedies that were recommended but got no relief until I began using Foley's Kidney Cure. The first half bottle relieved me and four bottles have cured me of this terrible disease. Before I began taking Foley's Kidney Cure I had to make water about every fifteen minutes, day and night, and passed a brick-dust substance, and sometimes a slimy substance. I believe I would have died if I had not taken Foley's Kidney Cure." J. W. McCollum & Co.

Opposed to Labor Federation.

New York, June 23.—The national convention of the Amalgamated Glass Workers, representing 55 locals in various cities, now in session here, has decided unanimously to send delegates to a convention called by the Socialists in Chicago, June 27, to form an industrial union. It is understood the latter union will vigorously oppose the American Federation of Labor and its leader, Samuel M. Gompers. It was also announced the glass workers will be reorganized throughout the country with the object of making a national demand in the fall for higher wages to be enforced by a national strike.

Tragedy in Missouri Town.

Macon, Mo., June 22.—In the vicinity of Keota, a posse of miners has shot and killed Jack Plummer, a miner, who had a short time previously shot and killed William Dale, a mine mule driver overseer. Plummer had been discharged by Dale because of cruelty to the animals he drove. Plummer deliberately walked up to Dale and shot him dead, and then fled, but was discovered by a posse of miners, who called upon him to surrender. He replied with a volley from his revolver and was then riddled with bullets.

Politics in Honolulu.

Honolulu, June 22.—A. M. Brown, the Republican nominee, has been selected sheriff of Oahu county in which this city is included by a vote of about 2,200 to 1,650 received by the home rule candidate, A. Peopose. Governor Carter made an active fight against Brown in favor of Henry, the present incumbent. The Republicans have elected all their ticket, except two supervisors and possibly a treasurer.

Palestine Best Place For Jews.

Philadelphia, June 22.—The eighth annual convention of the Federation of American Zionists, which began its sessions here, decided that Palestine was the best place for the colonization of the Jews. The convention adopted a resolution that the International Zionist congress to be held at Basle, Switzerland, this summer, be asked to reaffirm the Basle program of 1897, the convention of American Zionists pledging itself to the Basle program in its entirety. There are 230 delegates attending the convention.
